

NotLY: JOBS IN ARCHITECTURE

November, 2019

ABOUT THIS LIST

This list was prepared at the beginning of November, 2019. The notices are provided by the firms, and NotLY is not responsible for the content. There is no charge to be listed. This list is prepared about twice a year (November and April).

ABOUT NotLY

NotLY means “Not Licensed Yet” in architecture. We host classes and study groups to help people through the licensing processes. All of our events and activities are free and open to everyone. You do not have to be a USC Alumni to participate. There are currently about 2300 people in NotLY. NotLY was founded by Doug Noble and Karen Kensek at USC. Our speakers are volunteers, and USC provides the rooms. The next classes are coming December 7, 2019 at USC. Email to get on the announcement list to hear about the classes: dnoble@usc.edu

ABRAMSON ARCHITECTS

Abramson Architects is looking for a passionate and driven Project Architect with 5 years' experience in commercial and multifamily. Candidate will work on a team from schematic design through Construction Administration. Candidate must have a knowledge about major building systems and a good background in multi-family residential construction. Candidate must be very good at Revit. An easy-going personality and go-getter attitude are what we are looking for; someone who wants to put in the effort to grow in their position. What we look for in a candidate: · Work with Project Manager to take design drawings into construction documents, integrating technical and code, to deliver a fully coordinated set of drawings, for both City permitting, bid and construction documentation. · Work directly with project consultants and governing agencies to develop complete construction documents and specifications. · Be able to work in a collaborative manner. · Bachelor/Master's Degree in Architecture. · Strong design sensibilities and experience with creative direction. · Ability to thrive in a fast-paced environment. · Be a strong part of our family and be able to mentor staff with less experience. We are a passionate and dedicated family of 30 architects. We place high value on individual contribution with ideas, knowledge and team skills. We value life balance. We can genuinely say that our work-family loves what they do and enjoys coming to work and contributing. We strongly encourage people to take ownership of their projects, and we include our team in all project phases from initial research, interviews, client meetings to construction administration. Location: 8924 Lindblade Street, Culver City, CA 90232

AO (formerly Architects Orange)

We are better together. Here at AO you're not just a number, you're family. We believe in casual Fridays, company sponsored events, annual holiday parties, picnics, bowling and more. As the host of Toastmasters International, we seek to expand one's confidence in public speaking, leadership and teamwork while providing both professional and personal growth. With collaborative work spaces and driven coworkers AO welcomes creativity, learning, and lasting relationships. Since its founding in 1974, AO has evolved from a 2 man single office to an award winning full service firm spanning a campus of 5 buildings in Orange and 1 office in San Diego, an engaged staff of 290+ souls and 10 Studios (Multifamily, Retail, Hospitality, Restaurant, Mixed Use, Office, Industrial, Parking, Landscape and Global Design). Just like Historic Old Towne Orange where we are located, AO is family focused, hardworking and built to last. AO believes in the power of relationship. Everything we do is motivated by what it takes to be effective and successful for our clients. We value service, our people, a roll up your sleeves attitude and continuous improvement. If you are young in your career, come grow with us. If experienced, come get better with us. There is no one like you, and there is no place like AO. Check out our careers page at www.aoarchitects.com.

BACKEN & GILLAM ARCHITECTS

Project Manager/ Job Captain – Los Angeles. Backen & Gillam Architects is an internationally recognized architectural design firm, known for spaces such as Sundance Mountain Resort, Esperanza Resorts, Rams Gate Winery, the Restoration Hardware Gallery stores (created within iconic buildings in Boston, Chicago, & New York City), and numerous celebrity and high-profile residences. PFEIFFER

Pfeiffer is a design-focused practice of architects, interior designers and planners with offices in New York City and Los Angeles. We work nationally and internationally with an emphasis on cultural, arts, and educational projects for public and private clients. We are currently seeking creative design architects to support the firm's continued growth. Candidates should have an architectural degree from an accredited program and 5-10 years of relevant architectural experience in cultural, institutional, and educational work. Candidates must be on the path to architectural licensure or currently licensed. We value the following traits in our employees: excellent design and graphic skills; strong ability to conceptualize and design complex projects from the pre-design through construction documents phases. Advanced digital modeling & rendering skills; physical model-making skills are a plus. Self-motivation and the ability to manage time well and achieve project deadlines. Excellent written and verbal communication skills, with fluency in English and valid work status in the U.S. Experience working in the context of multidisciplinary project teams. Working knowledge of Revit, AutoCad, Sketchup, Rhino, Adobe Suite, and/or other design related software is considered essential. Visit our website to learn more about our culture and our work at www.pfeifferpartners.com For consideration, please email your resume to: resumes@pfeifferpartners.com and include "Architect/Designer" in the subject line.

RACHLIN PARTNERS

We currently have two positions open: 1. Program Manager/Construction Manager – The Construction Manager will have 7-12 years of experience and be able to manage one or more construction projects as part of a team implementing a bond construction program in the Los Angeles and North Orange County Area. He or she will interface directly with the client's staff, architects, contractors, jurisdictional agencies, and other entities; perform design and constructability reviews; assist with contractual negotiations; and coordinate all other work necessary to successfully complete projects, including value engineering, construction management, and project closeout. Note: The project location will be primarily Los Angeles and North Orange County. Occasional travel to the Culver City home office may be required. 2. Senior Architect – Senior Architect who possesses 10 to 15 years of experience in Educational K-12 projects and DSA, a degree in architecture from an accredited college or university. Experience must range from design through construction. Responsibilities will include management of multiple mid-sized architectural projects involving client interface. The candidate will be responsible for developing a projects scope, overseeing the design and production of construction documents, building detailing, and preparation of the specifications and administration of construction. Submit resumes to Aman Kaur – akaur@rachlinpartners.com
